

A meeting of Select Vestry was held on 27 Feb^y 1903, when there were present, The Very Rev^d the Dean of Bromore - in the Chair - Rev^d Edward Jennings, James Albin, John Lavery, Wilson Irwin, James Collins, John Montgomery, J. G. Gracey, Tho^s. Stothers, Thomas Martin, Joseph Moore & W. R. Atkinson.

Owing to the increased average attendance at Seago Bay School having largely increased, it is now qualified to have an Assistant Male Teacher and Mr^r.

Lisk has been acting in that capacity for some time.

But inasmuch as he will not be entitled to draw Salary until the Board of Education have been satisfied that the necessary average attendance, has been maintained for a full year and having applied for some advance to carry him on, the following resolution was proposed by Mr^r Tho^s. Martin & seconded by Mr^r Jas Albin - That Mess^{rs}. Atkinson & Stothers be authorised to sign Bills together with Mr^r Lisk, in order to make the Assistant Teacher payments, amounting to £15 in all, till he comes under the pay of the Board - Passed unanimously.

The Dean having informed the meeting that the Parochial Endowment Fund was now almost equal to paying an additional £100 a year to the Rector and that he proposed to pay in the deficiency of £8, himself - It was proposed by Mr^r Stothers, seconded by Mr^r Wilson Irwin and unanimously passed, That the Select Vestry tender their best thanks to the Dean for his liberality in making above payment, as also for his offer to pay the balance necessary, £40, to complete the second Curate's yearly Salary. Same to be entered on the minutes.
